

Present: Mary Jo Long, April Leggett, Gerry Matthews, Sally Muller

We went over sample survey questions. Specifically, we compared Town of Maryland Resident Survey of 2008 and Town of Hartwick Community Survey of 2007. These had been prepared by the Center for Economic & Community Development at SUNY Oneonta. We noted several changes and difference between the two samples and the Town of Afton. We combined the best of these and added some more. Mary Jo agreed to put them into one draft document to have by the next meeting.

Next meeting is Thursday, July 28th at 7 p.m. in the Town Hall
